HUNTER SKRASEK

About Me

An aerial photograph of the Dallas skyline at dusk or dawn. The sky is a deep blue with scattered white clouds. Several prominent skyscrapers are visible, including the Bank of America Tower and the JPMorgan Chase Tower. The foreground shows a dense residential area with many houses and apartment buildings. The text "BORN AND RAISED IN DFW" is overlaid in the center of the image.

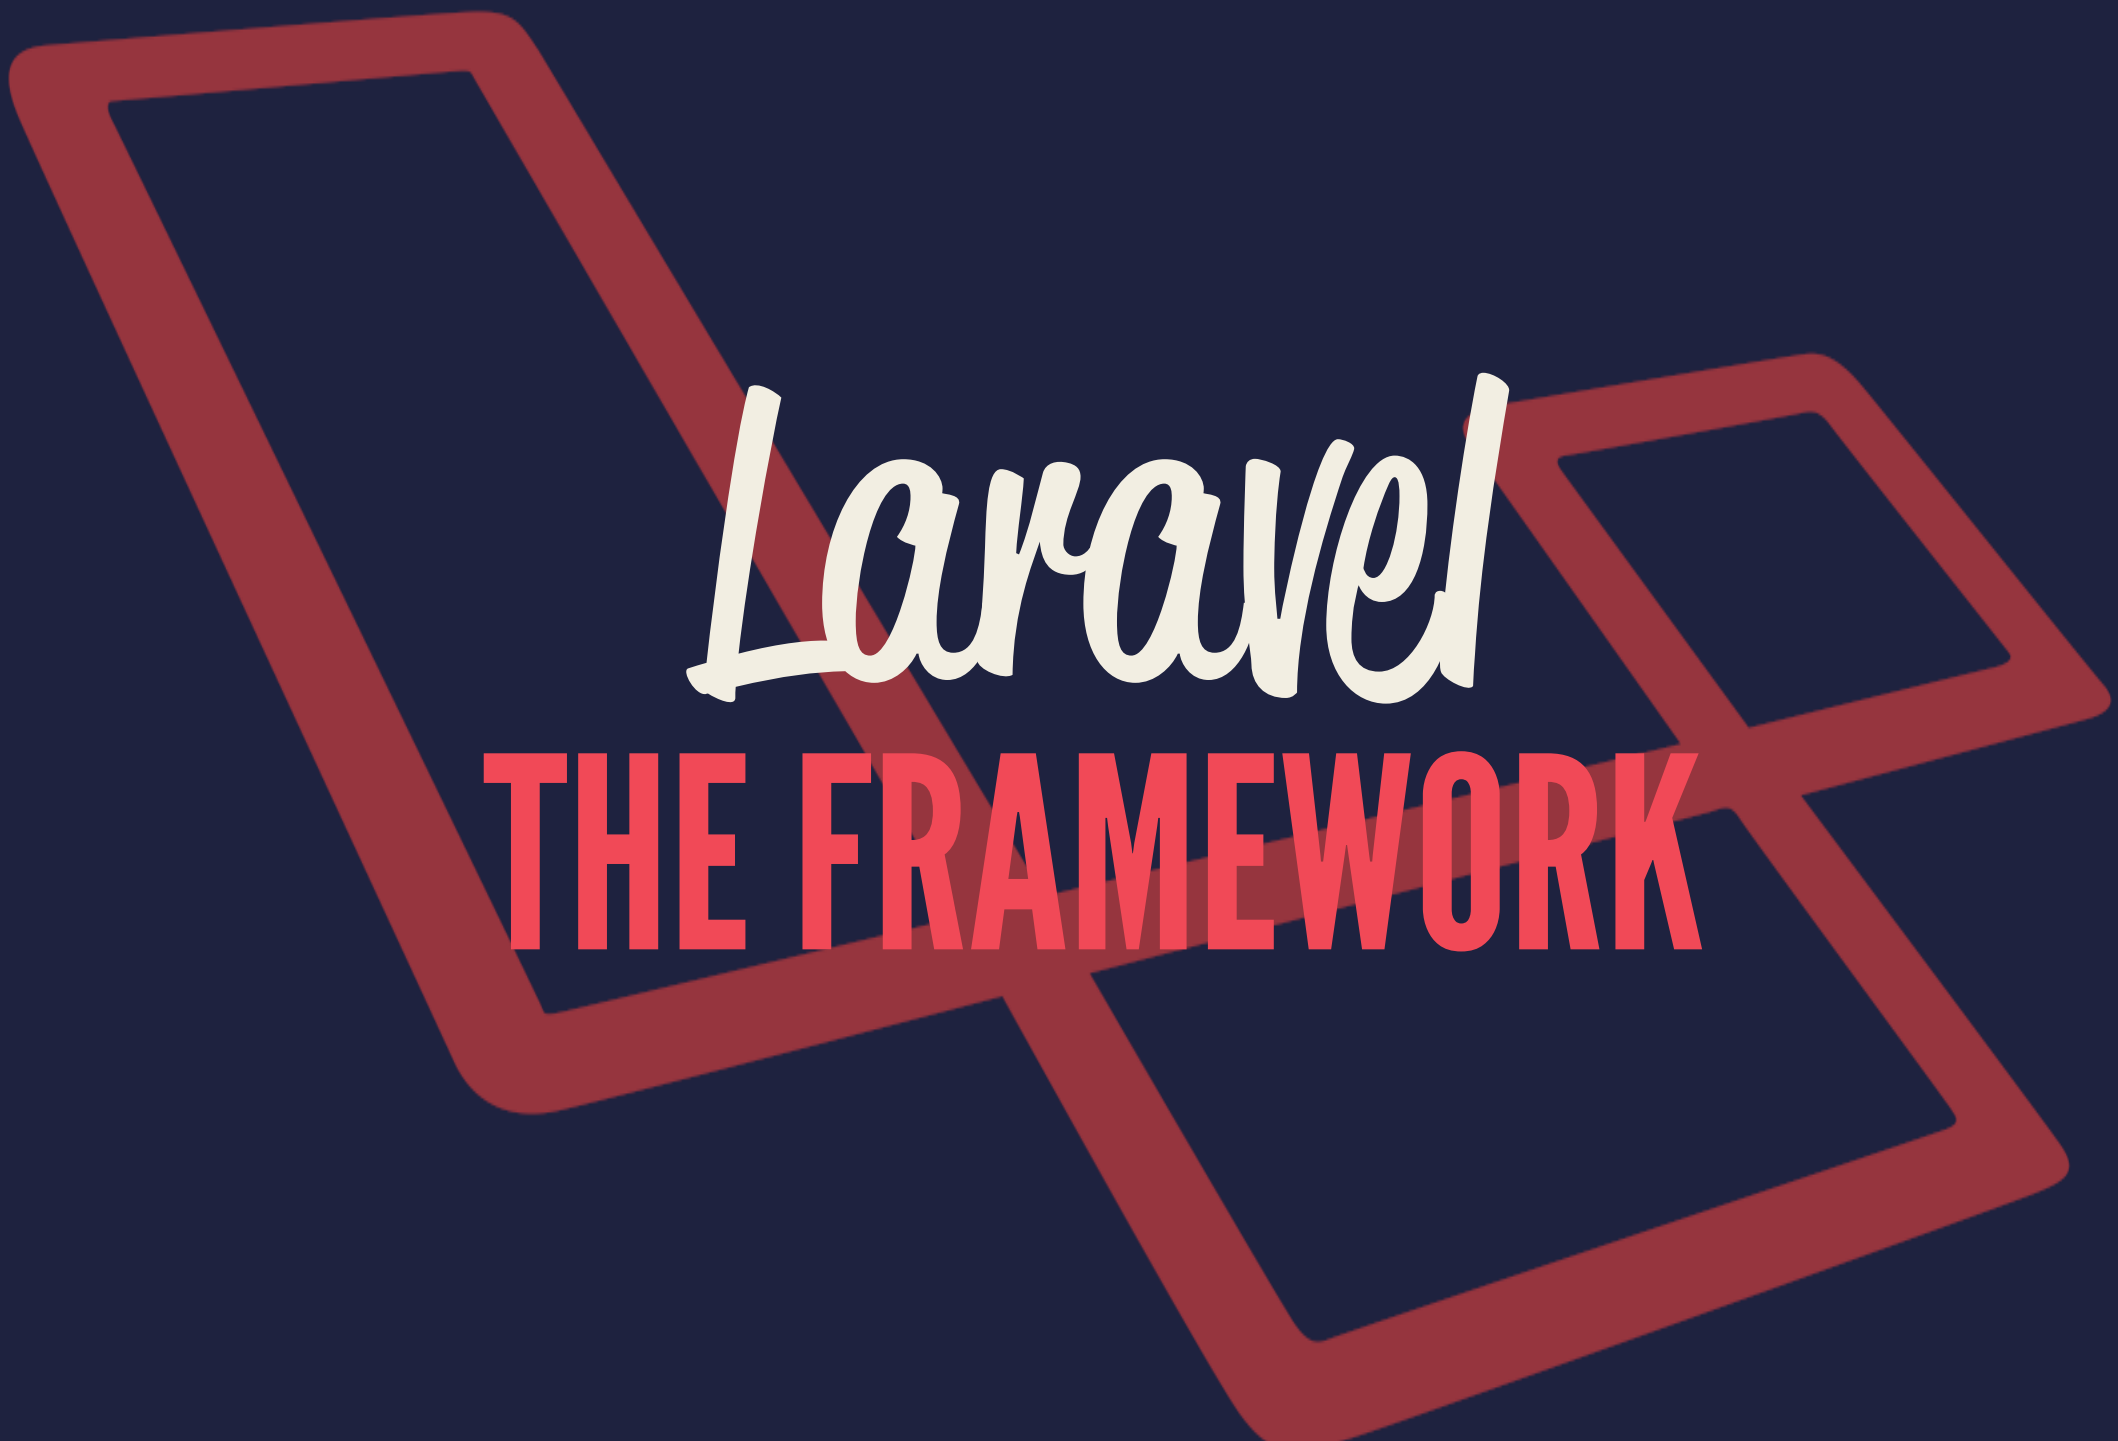

BORN AND RAISED IN DFW

A photograph of the St. Edwards University building, a large, multi-story stone structure with a prominent central tower and red-tiled roof. The building is surrounded by greenery. The text "GRADUATED FROM ST. EDWARDS UNIVERSITY" is overlaid on the image in a large, bold, sans-serif font. "GRADUATED FROM" is in red, and "ST. EDWARDS UNIVERSITY" is in white.
